47th Edition

IN presenting to you, this, the 47th edition of our Annual Almanac, we desire to call your attention to the number of years that these remedies have been before the public. We also wish to ask you a fair question. If our preparations are not all that we represent them to be, would they hold the confidence of the public as they have done for so many years? We would also ask you to pay particular attention to the numerous *Testimonials* that appear throughout the Almanac. They have not been solicited by us, but have been sent gratis by sufferers who are thankful for their cure. We have all the originals on file at our office, 643 King St. West, Toronto, Ont., for the satisfaction of any of our readers who are doubtful. Throughout the length and breadth of Canada our remedies have become household words. And why should they not, when they have made such wonderful cures?

Burdock Blood Bitters has been on the market for over 36 years, and is the best all round blood medicine sold to-day.

Dr. Fowler's Extract of Wild Strawberry has a reputation extending over 66 years. Ask any person who has ever used it for bowel complaint and see what they say about it.

Milburn's Heart and Nerve Pills have only been in use 20 years, but they are fast gaining the reputation due them.

The same may be said of *Doan's Kidney Pills*. They are for sale in Canada, England, Australia, South Africa and the United States, India, Mexico, China, Japan,—in fact all over the world.

Milburn's Laxa-Liver Pills have also gained favor with the public; as has *Wood's Norway Pine Syrup*, the great cough cure, during the past 20 years.

The *Hagyard Remedies* are perhaps as well known as any, having been in use for over 46 years. They include *Yellow Oil*, *Pectoral Balsam*, *Royal Pain Remedy*, *Cattle Spice* and *Condition Powders*.

Dr. Low's Remedies are also well known. They include *Worm Syrup*, *Pain Cure Oil* and *Sulphur Soap*. These remedies have been on the market for 35 years.

Our limited space will not allow us to extol the virtues of our many remedies, but a careful perusal of the following pages may save you years of suffering and misery at a very light expense to yourself. If at any time we can supply you with any information about our remedies we shall be only too pleased to do so.

Yours truly,

THE T. MILBURN CO., Limited.

GOOD DIGESTION

HOW TO OBTAIN IT.

While it is necessary for the dyspeptic to abstain from rich, greasy, highly seasoned food, it is useless and injurious to deprive the sufferer of a full supply of good nutritious food sufficient for the needs of the body. Weakening the body will never remove dyspepsia, on the contrary, all efforts should be to maintain and increase the strength. This Burdock Blood Bitters undeniably does, and at the same time enables the patient to partake of all the wholesome nutriment required, without fear of unpleasant results.

Afflicted With Dyspepsia From Childhood.

Mrs. E. A. McLean, Shannon Settlement, N.B., writes:—"My husband had been afflicted with dyspepsia from his childhood, and could get nothing to either relieve or cure him, until one day a friend was talking to him, and told him to give Burdock Blood Bitters a trial. This he did, and it made a perfect cure. That was five years ago, and there has been no return of the trouble since."

Was Troubled with Her Stomach For Months.

Mrs. Dennis Hebert, St. Boniface, Man., writes:—"I have used Burdock Blood Bitters, with great success, for dyspepsia, indigestion and sour stomach. I was terribly troubled with my stomach for

months, and spent a lot of money without getting any relief, until I happened to see about a woman using it, and her trouble seemed the same as mine. I tried one bottle, and was so much relieved, I bought five more, and have taken them, and I now can eat anything I wish."

Troubled with Indigestion Over Seven Years.

Miss Martha A. Brooks, Gagetown, N.B., writes:—"I have been troubled with indigestion for more than seven years, have tried several doctors and different medicines claiming the power to cure, but all without success. Having heard of the many cures effected by Burdock Blood Bitters, I decided to give it a trial. I have taken only one bottle, and that one has done me more good than all the other medicines I have used. My appetite, which was very poor, is now good, and I can eat most everything without any disagreeable feelings."

Had No Appetite.

Miss Dora V. Adams, Esdrealon, N.B., writes:—"Two years ago this spring I had stomach trouble, and had no appetite. I was told about Burdock Blood Bitters, and tried one bottle, and saw it was doing me good so I kept on until I had used nine bottles, and now to-day I am strong and rugged and can eat anything put in front of me."

January Jokes.

The family had never been in the habit of saying grace, but when the minister took tea with them they thought it proper to bend their heads over their plates devoutly. All would have gone well if the young hopeful had not piped out: "It ain't polite to smell your meat!"

♣ ♣

Mrs. Frank Drake, Uneeda, Ont., was very weak and troubled with headaches and constipation. Three bottles of Burdock Blood Bitters cured her.

"Mamma, do all angels fly?" "Yes, Willie, why do you ask?" "Cause I heard dad call the hired girl an angel the other day. Will she fly, too?" "Yes, Willie, she sure will," replied the mother.

♣ ♣

Mrs. C. A. Peddicord, Leitchville, Sask., suffered for more than three years with a lame back. Six boxes of Doan's Kidney Pills made her well.

♣ ♣

A German peddler wrapped timidly at the kitchen entrance. Mrs. Kelly, angry at being interrupted in her washing, flung open the door, and glowered at him. "Did yez wish to see me?" she demanded in threatening tones. The peddler backed off a few steps. "Well, if I did," he assured her with an apologetic grin, "I got my vish, thank you."

♣ ♣

Mrs. D. C. McLean, Trenton, N.S., was weak and run down, and her nerves were unstrung. Milburn's Heart and Nerve Pills cured her.

♣ ♣

At the annual business meeting of a country church in the western part of Ontario, several of the brethren spoke of the annoyance caused at the Sunday services by the habit in which some persons indulged of spitting upon the floor, especially in the neighbourhood of the stove. The pastor suggested that if they had a couple of cuspidors in the church perhaps the annoyance might be lessened. Whereupon, a good deacon arose. "I move that Bro. A. and Bro. B. be appointed as cuspidors for the ensuing year."

♣ ♣

Mrs. Christopher Pelow, South Lake, Ont., says she cannot speak too highly of Dr. Wood's Norway Pine Syrup. Her two children had whooping cough, and after trying all kinds of doctor's medicine she cured them with two bottles of Norway Pine Syrup.

UNSIGHTLY AND PAINFUL SKIN DISEASES.

Diseases of the skin while not usually attended with the fatal results or more severe forms of disease are nevertheless peculiarly distressing to the average person.

Skin diseases are caused wholly by the blood not being in a pure and healthy condition, so therefore get the blood pure by the use of Burdock Blood Bitters, and you will find that all the skin disease will disappear never to return again. This is accomplished by the wonderful cleansing, purifying powers on the blood, and its renovating action on the entire system."

Had Itching Sores.

Mr. Robert Gamble, Jones Falls, Ont., says:—"I write with the greatest of pleasure to recommend your great blood purifier, Burdock Blood Bitters. My wife and I had itching sores on our face and ears, and tried everything to help them, but found no relief. We saw your B.B.B. advertised and got a bottle, and before it was half gone we both were getting better, and when it was all gone we were cured."

Body Was Covered With Itching Skin Eruptions.

Mrs. Lillie Mitchell, Guelph, Ont., writes:—"I was troubled with eczema. My body was covered with awful itching skin eruptions. Although I tried many different remedies, I could get nothing to give me relief. Finally I got a

bottle of Burdock Blood Bitters, which completely cured me."

Had Eczema From Head to Foot.

Mrs. R. Walters, Strathcona, Alta., writes:—"My little boy was troubled with eczema from head to foot. I tried all kinds of medicines, but it was of no use. After using three bottles of Burdock Blood Bitters, he was completely cured."

Hands Covered With Salt Rheum.

Miss Lillian Pelow, South Lake, Ont., writes:—"I cannot speak too highly of your Burdock Blood Bitters. My hands were covered with salt rheum. I was advised to use B.B.B., which cured them before I had used two bottles."

Had Rash on Face.

Mr. Alex. Fraser, Thornburn, N.S., writes:—"Some time ago I had such a rash on my face I could not go out with any pleasure. My blood was in a very bad state, and I was almost discouraged trying so many remedies, and all failing, but finally I tried Burdock Blood Bitters, and after using two bottles, I found I was cured, and I wish to tell all sufferers what it did for me."

February Fun.

Young Hopeful—"What did papa mean when he said to that man, "You've got a good figure?" Doting Mamma—"He got a good price for some land he sold, my dear." Young Hopeful (innocently)--"Mamma, has the servant girl been selling some land, too?"

Miss Hazel Beamish, Jasper, Ont., suffered for years from bilious headaches. One bottle of Burdock Blood Bitters caused the headaches to disappear, and she has not been troubled since.

FOND UNCLE—"So, my dear little nephew, you haven't forgotten your old uncle on his birthday. You have brought me this nice smoking cap for a present. Thanks little nephew, here is sixpence for you." NEPHEW—"Boo-co-oooh. It cost me half-a-crown!"

Miss Sulphic Poirer, Belle Cote, N.S., had heart trouble for over a year. Two boxes of Milburn's Heart and Nerve Pills completely cured her.

"I've wondered," said the thoughtful man, "why they throw old shoes and slippers after a bridal couple, but I think I see the idea now." "Yes?" asked the other. "Yes, I suppose the idea is that they'll come in handy for spanking purposes in the future."

Mrs. Fred. Wagstaff, Aylesford, N.S., had a very bad cold and cough. Two bottles of Dr. Wood's Norway Pine Syrup cured her.

THINKIEY—"Just look at the smoke pouring out of the windows of Bronson's house! Quick, call the fire engines!"

WINKLY—"Don't get excited. Bronson swore off smoking on New Year's Day, and he's making up for lost time."

Mrs. F. Stephens, Clear Creek, Ont., has used Dr. Fowler's Extract of Wild Strawberry for years, and says that it has cured many bad attacks of Diarrhoea."

See inside back page for our offer of a beautiful picture.

Bachelor (who has forgotten whether the baby is a boy or a girl)--"She's a fine little chap, isn't he? And how much her eyes are like his father's. Do his teeth bother her much? She's going to look like you, isn't he? Everybody thinks it will."

IS YOUR BLOOD PURE?

There is no more frequent and prolific source of illness, than a neglected state of impurity of the blood. This vital fluid makes up the substance of the body as it circulates through every part and every organ. If the blood becomes impure, pimples, boils, blotches, ulcers, festering sores, or some serious blood disease may result.

Never neglect to cleanse the blood, and for this purpose there is no better remedy than Burdock Blood Bitters.

Face and Body Broke Out with Pimples.

Miss Beatrice L. Bishop, River De Chute, N.B., writes:—"Some time ago I had my face and body break out with large pimples, which if scratched would fester and spread. I tried every remedy until at last I happened to read what a great remedy Burdock Blood Bitters was for such a case as mine. I tried a bottle, and when I had only half finished the second one I was as well as ever."

Was Troubled for Eight Years with Boils.

Mrs. James Mageean, Floral, Sask., writes:—"I was troubled for eight years with boils on my face and body, and I tried every thing I could think of. My neighbors told me to drink water off of sour corn meal, but I kept getting worse, until one day a woman in town asked me why I didn't try Burdock Blood Bitters. My husband got me two

bottles, and before one was gone my boils had all disappeared, and I feel like a different woman. I can't tell you how thankful I am for your medicine. I will recommend it to all suffering women."

Sores on Face, Could Not Shave.

Mr. Walter Scott, Westville, N.S., writes:—"I was very much troubled with bad blood, and had pimples and sores on my face. I was so bad I could not shave. I used three bottles of Burdock Blood Bitters, and they completely cured me."

His Blood was Bad.

Mr. Samuel Hicks, Millbridge, Ont., writes:—"My blood was bad, and I did not know what to take for it. I had tried different remedies, but they didn't do me any good. A friend of mine was telling me about Burdock Blood Bitters, and finally I thought I would buy a bottle, I did so, and the second one I took I was cured."

Made Boils Vanish.

Mrs. W. R. Berry, Forest Glen, N.B., writes:—"I can highly recommend Burdock Blood Bitters for a blood purifier. Two years ago I had very bad blood, and came out in boils. I tried everything I could think of. I saw in your Almanac what B.B.B. had done, so I got two bottles, and I can say my boils vanished, and I have not been bothered with them since."

Is the Greatest Cough Medicine Known

Everybody Feels Depressed and Ill in the Spring.

There must be some reason why so many people are depressed, and out of sorts at this season of the year.

There is justification for the popular idea that the blood needs purifying in Spring. The sallow complexion, heavy eyes, and the lassitude so many persons suffer from at this season are due to impure blood.

During the Winter months every body has been eating rich, heavy food because the body temperature has to be kept up during the cold weather, and the system becomes over-strained, and one becomes tired and fagged out. What you need at this time is to get the blood into good shape by using Burdock Blood Bitters, which is the best "Spring Medicine" for the "Spring Fever."

Recommends It as a Grand Spring Tonic.

Mrs. Joseph N. McDermott, Tottenham, Ont., writes:—"Two years ago I was completely run down. I was very weak, and every morning was as tired as when I went to bed; had a poor appetite and bilious headache. Hearing so much about Burdock Blood Bitters, I thought I would try a bottle, and when I took one I felt a lot stronger, and when I took three, I felt fine, and would recommend it as a grand Spring tonic."

B.B.B. a Fine Spring Medicine.

Miss Mary Elliott, Kettleby, Ont., writes:—"I think that Burdock Blood Bitters, is a fine Spring medicine. I have taken it for several Springs, and it purifies the blood wonderfully. I highly recommend it."

Three Bottles Purified His Blood.

Don't Allow the Bowels To Become Clogged.

There is probably no organic action more important to health than that of the bowels, being one of the principal channels to carry off morbid matter and foul accumulations, which if long retained in the system, would poison the blood and cause disease. Any irregularity in their action is always a serious matter that should receive prompt attention, for when the bowels become clogged, impure blood, headache, piles, humours, pimples, boils, dyspepsia and many other ills occur.

Burdock Blood Bitters tones and regulates the bowels, promotes the flow of bile, which keeps the blood pure and healthy, and secures a natural action of the bowels, without weakening the digestive organs in any manner.

IT IS UNWISE TO NEGLECT HEADACHES.

Headache, is a source of great suffering and often leads to serious derangements of the health. Headache of whatever nature is nearly always symptomatic of other diseased conditions, rather than a disease itself, and in most cases a disordered stomach and bad circulation is the chief cause of the difficulty.

Undoubtedly the cause must be removed before permanent relief can be had. Burdock Blood Bitters is a specific for headache—a medicine that cures where others fail.

HEART AND NERVE WEAKNESS.

How many thousands of men and women drag on through life with weary step, and worn and haggard face, who might be healthy, vigorous and full of energy, but for heart and nerve weakness.

What a common sight it is to see a young girl whose bloodless face and feeble frame are evidence of the destroying power action of the heart weakness and pallor, where bounding health and rosy cheeks should reign.

Through one cause or another, the heart muscles become weakened, the blood is not circulated freely, the system becomes run down and produces nervousness, sleeplessness, palpitation of the heart, dizzy and faint spells, shortness of breath, and numerous other heart and nerve troubles.

Wherever there are sickly people with weak hearts and deranged nerves, Milburn's Heart and Nerve Pills will be found an effectual medicine. Their extraordinary curative power manifests itself immediately they are taken. On this point the evidence of those who have taken them is uniform and positive, as you may see for yourself by reading the following testimonials.

Almost Despaired of Ever Getting Well.

Mr. Thomas A. Stevenson, Harris, Sask., writes:—"I was troubled with weak heart, and was all run down for a long while. I was almost in despair of ever getting well again, until a friend recommended

me to try Milburn's Heart and Nerve Pills. After the first box, I was much better, and three boxes cured me. I am now as well as ever, and will highly recommend them to any one else troubled with a weak heart."

Daughter was Troubled with Heart and Nerve Trouble.

Mrs. Reeves, 152 Manning Ave., Toronto, Ont., writes:—"About five years ago my daughter was troubled with heart and nerve trouble. We tried several remedies, but without receiving any relief. Hearing of Milburn's Heart and Nerve Pills, I decided to give them a trial. After using several boxes, my daughter's health was completely restored."

He Failed To a Shadow.

Mr. George McBeath, Round Hill, N.B., writes:—"I take the pleasure of writing you to tell you the great benefit Milburn's Heart and Nerve Pills did for me. I was so nervous I could not eat or sleep, and could not even do my work, and I failed to a shadow. Finally I consented to try Milburn's Heart and Nerve Pills, and have only taken two boxes, and am able to work as well as ever, and can eat and sleep as well as ever I did. I can't praise your medicine too highly. My wife is taking them now for palpitation of the heart and is improving greatly."

For Diarrhoea, Dysentery or Cramps

For Years Could not Sleep at Night.

Mrs. Wm. Douglas, Thessalon, Ont., writes:—"I am going to send you my testimonial for what your Milburn's Heart and Nerve Pills did for me. For four years I could not sleep well at night, as my heart and nerves were so bad. I tried all the doctors here, but none of them helped me. I read of your Heart and Nerve Pills, and tried only a few boxes, and I can certainly say they did me a great amount of good. I can now sleep as well as ever, and can advise anyone who suffers from heart trouble to try them."

Suffered with Her Nerves, Could Not Sleep.

Mrs. David Stokes, Dorset, Ont., writes:—"It is with the greatest pleasure that I write you, stating the benefit I have derived by using Milburn's Heart and Nerve Pills. I suffered so much with my nerves, I could not sleep at night. In fact, I was so bad one night I thought I would die. A friend advised me to use your Pills, which I did, and soon found relief. I can gladly recommend them to any one who has heart and nerve trouble."

Was Not Able to Do Her Work.

Mrs. Henry McIntosh, Oliver, N.S., writes:—"I would recommend Milburn's Heart and Nerve Pills to anyone who is weak and run down. I was not able to do my work, nor rest at night for four

years. After taking seven boxes, I am entirely cured, and can recommend them to anyone suffering from heart or nerve trouble."

Doctored for Three Years for Weak Heart.

Mrs. M. Shea, 193 Holland Ave., Ottawa, Ont., writes:—"I write you these lines to let you know that I have used Milburn's Heart and Nerve Pills. After doctoring for the last three years with all kinds of medicines and pills for weak heart, I heard of your Heart and Nerve Pills, so thinking I had never used anything that did me so much good, I kept on using them, and I had only used four boxes, when I was perfectly cured."

Gained Five Pounds.

Mrs. Chas. Neely, Craigvale, Ont., writes:—"Two years ago I became troubled with my nerves. I tried doctors medicine without getting much benefit. I would be a little better for a while and then be as bad as ever. This Spring I tried Milburn's Heart and Nerve Pills, and before I had finished the first box I felt like a new woman, and gained five pounds in weight. I cannot say too much for Milburn's Heart and Nerve Pills."

The price of Milburn's Heart and Nerve Pills is 50 cents per box, or 3 boxes for \$1.25. For sale at all dealers, or mailed direct on receipt of price.

July Jollity.

It was married men's night at the revival meeting. Let all you husbands who have troubles on your minds stand up!" shouted the preacher at the height of his spasm. Instantly every man in the church arose except one. "Ah!" exclaimed the preacher, peering at the lone individual, who occupied a chair near the door. "You are one in a million." "It ain't that," piped back this one helplessly as the rest of the congregation gazed suspiciously at him. "I can't get up—I'm paralyzed!"

Mr. J. S. S. Calder, Belvedere, Alta., has used Dr. Fowler's Extract of Wild Strawberry for twenty-seven years, and believes it the best remedy for all stomach and bowel complaints.

Two Georgia darkies were quarreling on a railroad platform. "You better go 'way frum me, nigger!" said the larger of the two; "'cause, ef I starts in on you, about this time day after to-morrow the sexton of the coloured cemetery is goine to be pattin' you in the face with a spade."

Mrs. Edward J. Horne, Lindsay Lake, N.S., found Milburn's Heart and Nerve Pills the best remedy she ever took for nervous trouble.

Mr. STUBB (in astonishment)—"Why, Maria! That tramp has been singing out in the back yard for the last hour." Mrs. STUBB—"Yes, John, it is all my fault." Mr. STUBB—"Your fault?" Mrs. STUBB—"Indeed it is, I thought I was giving him a dish of boiled oatmeal and instead of that I boiled up the bird seed by mistake."

Mr. R. N. Cavan, Dunmore, Alta., tried many remedies for constipation, but never found anything so satisfactory as Milburn's Laxa-Liver Pills.

A lad who was visiting at a relative's house was unused to the form of saying grace before meals. He began to eat at the dinner-table without waiting or watching to see what the rest did. "John," ventured his uncle hesitatingly, "we usually say a little something before we eat." "Say all you want, say all you want," replied John, cheerfully. "You can't turn my stummick."

HAGYARD'S YELLOW OIL

The Great Household Remedy For Pain and Inflammation

This article has been highly valued in thousands of homes for the past forty-seven years. It differs from most medicines in that, while curative internally, it is unsurpassed as an external lotion, while the rapidity of cure is almost marvellous. The secret of the curative properties of Hagyard's Yellow Oil, lies in the combination of the ingredients, which are different from anything before compounded.

Used externally, it cures cuts, wounds, burns, scalds, rheumatism, chilblains, bites of insects, and all kinds of swellings.

Used internally cures croup, quinsy, asthma, sore throat, hoarseness, etc. Another thing about it is, that it does not stain the clothing. Price, 25 cents, at all dealers.

Suffered for 10 Years with Rheumatism.

Mrs. Arthur Stone, Cornwall, Ont., writes:—"I have suffered for ten years, more or less, with rheumatism, and being in the doctor's care most of the time without receiving any benefit, I was beginning to give up hope of ever getting cured, when I spied your advertisement for Hagyard's Yellow Oil, so I thought I would give it a trial. After using one bottle, I felt so relieved of pain, I continued its use, and after using three bottles, I was entirely cured, and have had no trace of rheumatism since. That is three years ago. It is a Godsend for all sufferers."

Has Used It for Over 25 Years.

Mr. Wm. McElroy, Richmond, Ont., writes:—"I wish to say that I have been using Hagyard's Yellow Oil in my family for over twenty-five years past, and have found it the best remedy I could procure for sore throats in my children, as it always gave relief. Although I am not much of a believer in patent medicines, yet I always make exception to Hagyard's Yellow Oil, and recommend it to my neighbors. We always keep a bottle of it in our house."

Had Sprained Arm.

Miss Wilda Stanley, Kinloss, Ont., writes:—"After suffering a great deal of pain from my arm being sprained, my sister-in-law advised me to use Hagyard's Yellow Oil, I used a bottle and a half, and my arm was as well as ever. After that our home has never been without a bottle."

Mother and Children Had Sore Throat.

Mrs. E. Blackwell, London, Ont., writes:—"I had a very sore throat, and my children all had it too. I thought we were going to get diphtheria, so I used Hagyard's Yellow Oil, and my children and myself were all cured after having used two bottles."

Use Dr. Wood's Norway Pine Syrup

The Kidneys are of the Greatest Importance to the Human Body.

Nature always gives a warning when anything goes wrong in the body.

If a pain attacks you "Stop and think" what it is and what causes it. If the kidneys are at fault—and in most cases of failing health they are—doctor them at once, and doctor them persistently.

Do you realize what an important work the kidneys do? Do you know that every drop of blood goes to the kidneys hundreds of times every day? Do you know why?

To be filtered and purified from its impurities. That is the great work the kidneys do. They filter the blood. Then these impurities go to the bladder and are passed out of the bladder along with the urine.

Do you think it possible to be well, unless the kidneys do this work thoroughly?

It is these impurities, this unfiltered blood, that causes back-aches, rheumatism, weariness, headaches, diabetes, Bright's disease, etc. They poison and interfere with the whole system.

Are your kidneys well?

If not, if there be the slightest weakness—if there be any illness, is it not wise for you to "stop and think?"

For there is danger in delay, and there may come a time when you cannot be cured.

Let Doan's Kidney Pills do for

you what they have done for thousands of others. They cure all forms of kidney trouble, and they cure them to stay cured.

Doan's Kidney Pills are 50 cents, per box or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price. When ordering direct specify "Doan's."

Was Troubled with Weak Back.

Mrs. John Connor, Burlington, N.S., writes:—"For several years I had been troubled with weak back and kidneys. I had terrible dizzy headaches, and could not sleep at night. A friend told me to use Doan's Kidney Pills, and in a very short time I was completely cured."

Could Not Straighten Up.

Mr. C. Grace, Hamilton, Ont., writes:—"I was suffering with a lame back, and for two weeks was not able to straighten up to walk, and hardly able to sit down for the pains in my back, hips and legs. I had used different kinds of pills, plasters, liniments and medicines, without any relief. One day there was a B.B.B. book left at our door, and I read about Doan's Kidney Pills, and decided to try them. Before I had half a box used I felt a great deal better, and by the time I had used two boxes, I was cured. I have no hesitation in recommending Doan's Kidney Pills."

Use Burdock Blood Bitters For Dyspepsia

Do You Think It Possible To Be Well, Unless The Kidneys Do Their Work Properly?

Suffered With Kidney Trouble for 10 Years.

Miss Mary Daley, Pennfield Ridge, N.B., writes:—"I now take great pleasure in expressing myself for the benefit I have obtained from your wonderful medicine, Doan's Kidney Pills. Having been a sufferer with kidney trouble for the last ten years, and having spent hundreds of dollars in the so called "Quack" cures, from which I derived no benefit whatever, and after having been advised by some of my friends to try Doan's Kidney Pills, I at once purchased a box, and from the first obtained relief, and after having taken five boxes am now completely cured."

Housework Seemed a Misery.

Miss L. Peterson, Calgary, Alta., writes:—"Last spring I was very much troubled with backache. I wasn't able to do more than the lightest part of my housework, and even that seemed a misery. I heard about Doan's Kidney Pills, and tried one box, which cured me entirely. I cannot praise them enough for what they have done for me. I also know other people they have helped."

Gravel and Small Stones Passed Through Urine.

Mrs. Elmiere Baldwin, Windsor, Ont., writes:—"I was so weak I could not do my own work. I tried

many doctors, and every one of them told me to go to some institution. Reading of Doan's Kidney Pills, I tried them, and am now well, and can recommend them to all. My kidneys were so sore I did not know what to do, but after using the Doan's Kidney Pills, you would be surprised at all the gravel and small stones that passed through my urine. Now I am well and able to do my own work."

Had Lameness Across His Back.

Mr. S. Warmington, Smith's Falls, Ont., writes:—"Last Fall I was troubled with a lameness across my back. A friend told me about Doan's Kidney Pills, so I got a box that very night, and I am very glad to say that they did me a world of good. I am very thankful to the friend who told me about them; he was taking them at the time. I also know of several more men who are using them with the best of results."

Was very Bad with Kidney Trouble.

Mr. Wm. Le Turneau, Glen Levit, N.B., writes:—"One year ago I had kidney trouble, and was so bad I could not hold my water a minute. I tried different medicines, but none did me any good. I was advised to use Doan's Kidney Pills, and after using one box and a half I was completely cured."

August Amusement.

A South Dakota railroad is noted for its execrable roadbed. A new brakeman was making his first run over the road at night, and was standing in the centre of the car, grimly clutching the seats to keep erect. Suddenly the train struck a smooth place in the track and slid along without a sound. Seizing his lantern, the brakeman ran for the door. "Jump for your lives!" he shouted. "She's off the track!"

Mr. Alex. Murray, Bathurst Village, N.B., was covered with pimples and boils. A friend advised him to try Burdock Blood Bitters, which he did and was completely cured.

♣ ♣

Little Alfred had grown so weary of being asked by admiring strangers, "Whose little boy are you?" that one day he surprised everyone by turning the tables. Directing his innocent gaze upon a very young man who was calling upon his sister, the child demanded sweetly, "whose pap are you?"

♣ ♣

Mr. Alex. Terry, North River, N.S., suffered greatly from heart trouble, and was so bad he could not lie down. Milburn's Heart and Nerve Pills cured him.

♣ ♣

Walter was eight years old. He had been naughty. In point of fact, he had emptied a bottle of red ink over his mother's white pomeranian—just for fun, of course! Now, the price had to be paid for the enjoyment, and the father was taking a hand in the game. Little Lucy, Walter's sister, was in the room at the time of the conflict. Thud, thud, thud! fell the father's hand, punctuated by Walter's wailing. At last Lucy could stand it no longer. Bursting with indignation, she stamped her tiny foot on the floor. "Tread on his corn, Wall!" she cried. "That'll stop him!"

♣ ♣

Mrs. S. C. Johnston, Penetanguishene, Ont., had a little boy two years old who was nearly dead from worms. One bottle of Dr. Low's Worm Syrup cured him.

In ten minutes the battle would begin. The enemy outnumbered them five to one. "Boys," said the captain, solemnly, "we have hard work before us. See that you are all armed to the teeth." Far down the line little O'Flarity nervously held up his hand. "Please, captain!" "Well, O'Flarity?" "I—I haven't any tathe."

Again we warn you.

Don't experiment.

Price, 35 cents at all dealers.

Became so Weak could Hardly Stand.

Mrs. L. L. Messenger, Cape Negro, N.S., writes:—"My little girl three and half years old, took diarrhoea last summer. She became so weak she could hardly stand. I tried different remedies, but none of them seemed to do her any good. At last I tried Dr. Fowler's Extract of Wild Strawberry, and she had not taken half the bottle before she was all right

again. I also gave it to my little boy with the same result. I would not be without a bottle of it in the house."

It Does Its Work Promptly.

Mrs. N. E. Fillmore, Hamilton, Ont., writes:—"I am pleased to have the opportunity of expressing my gratitude to your remedies. I am generally a sufferer from diarrhoea, in the summer (especially in the fruit season), and I would not be without Dr. Fowler's Extract of Wild Strawberry. It is so soothing to take and it does its work promptly, although not too suddenly. I have also given it to my little boy who is just four now."

Cholera Infantum Cured.

Mrs. David A. Cleveland, Apple River, N.S., writes:—"Last September my little boy, four years old, and little girl, two years old, were taken one afternoon with vomiting spells, and in a few hours had cholera infantum. I had Dr. Fowler's Extract of Wild Strawberry in the house, and commenced using it. The cholera got so bad the next day, they passed nothing but blood. I kept on using the medicine and in a few days they were cured. I always keep a bottle in the house, as I don't think there is anything better for summer complaints than Dr. Fowler's Extract of Wild Strawberry."

Expels Worms in Children or Adults

Diarrhoea, Cramps and Vomiting.

Mr. M. Doucet, Pointe-a-la Garde, Que., writes:—"Since I left my native place in the Mediterranean I have suffered a great deal with diarrhoea, and cramps in the stomach, followed by vomiting. The first attack I felt was in August, while on a trip from Egypt to England and the ship doctor gave me a dose of medicine, which strange to say cured me for the whole trip, which lasted 9 days.

"Before I left the ship I took good care not to forget to ask the ship doctor to give me the name of the medicine. He said—'It is Dr. Fowler's Extract of Wild Strawberry.' As soon as I landed I procured a bottle to last me for the trip from England to Canada, and since then I am never without a bottle of it in the house. What it is made of I can't tell, but it is something, marvellous, and every friend I recommend it to says the same. I am so much indebted to 'Dr. Fowler's,' that the pen is not capable to express the thanks."

It Cured Cholera Infantum and Dysentery.

Mr. Thos. H. Coatsworth, Blenheim, Ont., writes:—"I have used Dr. Fowler's Extract of Wild Strawberry, and find it very effectual in curing cholera infantum and dysentery in the young. I have tried it, and in fact, all of my family have taken it with good results. I had an aunt who was taken with a very severe pain in the bowels, and we gave her a few doses which cured her

completely. We believe it is the very best remedy to have in the house."

Has Used it for Many Years.

Mrs. George Campbell, London-derry Station, N.S., writes:—"I have used Dr. Fowler's Extract of Wild Strawberry, for many years, among my children for summer complaint and diarrhoea, and have always found it the best I can get, and recommend it to my friends."

Doctors Failed to Help Her.

Mrs. John T. Welsh, Black's Harbor, N.B., writes:—"I wish to tell you of what Dr. Fowler's Extract of Wild Strawberry has done for my little girl, Edna, aged two years and three months. Last February she took diarrhoea, and we tried all kinds of medicines recommended, but without any relief, also doctors failed to help her. We thought we were going to lose her, but one day a friend came in to see her, and advised us to try Dr. Fowler's Extract of Wild Strawberry. The first dose gave relief and shortly after she was well."

Diarrhoea and Vomiting.

Mrs. James McDonald, Harcourt, N.B., writes:—"I was taken sick with diarrhoea and vomiting, and tried everything I could think of, but without success. I was advised to try Dr. Fowler's Extract of Wild Strawberry, and after taking three doses I was cured. I think it a great medicine."

October Oddities.

TEACHER—"Willie, did your father cane you for what you did in school yesterday?" PUPIL—"No, ma'am; he said the licking would hurt him more than it would me." TEACHER—"What rot! Your father is too sympathetic." PUPIL—"No, ma'am; but he's got the rheumatism in both arms."

♂ ♂

Mr. W. H. Riley, Ruddell, Sask., was so bad with rheumatism he was unable to get up from his bed for four months. Doan's Kidney Pills cured him.

At a choir practice they were rehearsing a selection, the first words of which were, "I am a pilgrim." The music divided the word "pilgrim," and read a pause after the first syllable. The soprano sung in a high key, "I am a pil—," and stopped. The alto repeated—"I am a pil—" The tenor acknowledged he was a "pil," and when the bass came thundering in with the like declaration, "I am a pil—," it was too much for the gravity of even a church choir.

♂ ♂

Mrs. Wm. Wiles, Lower Stewiacke, N.S., says:—"Both my husband and I have used Dr. Wood's Norway Pine Syrup with good results."

♂ ♂

Senator Money, of Mississippi, asked an old coloured man what breed of chickens he considered best, and he replied: "All kinds has merits. De w'ite ones is de easiest to find; but de black ones is de easiest to hide aftah you gits 'em."

♂ ♂

Mrs. Charles Wambach, West La Have Ferry, N.B., was troubled with constipation for two years, but Milburn's Laxa-Liver Pills cured her.

♂ ♂

"We're going to have a swell funeral at our house soon," said the small boy to a neighbour. "Is somebody ill?" inquired the solicitous neighbour. "Nope," replied the boy. "Not yet. But pa's going deer hunting."

♂ ♂

Mrs. E. Sternberg, New Liskeard, Ont., was so bad with her heart she could not walk far without resting. Milburn's Heart and Nerve Pills have made her feel fine, and her heart never bothers her now.

WATCH YOUR LIVER.

If It Is Lazy, Slow or Torpid Use MILBURN'S LAXA-LIVER PILLS.

The liver is the largest and one of the most important organs of the body. Its duty is to prepare and secrete bile, and serve as one of the filters to the blood, cleansing it of all impurities and poisons. A lazy, slow or torpid liver is a terrible affliction, its influence permeates the whole system, causing Biliousness, Heartburn, Water Brash, Langour, Coated Tongue, Dullness, Sick Headache, Yellow Eyes, Sallow Complexion, Brown Blotches, Variable Appetite, Pain under the Right Shoulder, etc.

It holds back the bile, which is required to move the bowels, and lets it into the blood instead, thus causing Jaundice, Constipation and Catarrh of the Stomach, all the effect of a lazy, slow or torpid liver.

There is nothing about Milburn's Laxa-Liver Pills, of the old fashioned, griping, purging, debilitating character. They gently unlock the secretions, clear away all effete and waste matter from the system, and give tone and vitality to the whole intestinal tract.

They are small and easy to take, and do not gripe, weaken or sicken.

Price, 25 cents per vial, or 5 vials for \$1.00, at all dealers, or mailed direct on receipt of price.

Mr. W. Moore, Toronto, Ont., writes:—"After having been troubled with indigestion, sour

I have had medicine from several doctors, but was only relieved for a time by them. I then tried Milburn's Laxa-Liver Pills, and I have had no trouble with my liver since. I can honestly recommend them to every person who has liver trouble."

Troubled With Sick Headache.

Mrs. John Campbell, South West, P.E.I., writes:—"For several years I was troubled with sick headache, and tried almost everything, but nothing did me any good until a friend advised me to try Milburn's Laxa-Liver Pills, which I did. "Mother," said Harold, "I've been out to the barn and taken all the shoes off the horse." "Now, Harold," said the mother, "you are telling me a wrong story, and I shall punish you." "No, truly I have," persisted Harold. "I took them off and put them on again. If you don't believe it you can go out and look for yourself."

Mr. Geo. Linton, Netherhill, Sask., was troubled with pimples on his face and neck. He went to different doctors, but they did him no good. Three bottles of Burdock Blood Bitters cured him.

A southerner hearing a great commotion in his chicken house one dark night, took his revolver and went to investigate. "Who's there?" he sternly demanded, opening the door. No answer. "Who's there? Answer or I'll shoot!" A trembling voice from the farthest corner said: "Deed, sah, dey ain't nobody hyah 'certain us chickens."

"Me an' this here hoss," George said, suddenly, "has worked for your firm sixteen years." "Well, well," said the president, thinking a little guiltily of George's seven dollar salary. "And I suppose you are both pretty highly valued, George, eh?" "H'm," said George, "the both of us was took sick last week, and they got a doctor for the hoss, but they just docked my pay."

A woman was feeding a baby a few months old on bits of fried fish and pickle. "Don't do that," said the curate, who was visiting her, "don't do that, madam! it's most unhealthy to give fish and pickle to so young a child."

The woman frowned.

"Huh," she cried, "don't try to teach me how to feed babies. Why, young feller, I've buried seven."

Horse Got Into Wasp's Nest.

Mr. P. G. Kelly, Umfraville, Ont., writes:—"I thought I would write and tell you of my experience with your British Troop Oil. I had a horse that got into a wasp's nest, last haying, and got stung so badly on the front legs he could hardly walk for a few days. Mr. Wm. Newton, Arden, Ont., writes:—"I feel it my duty to drop you these few lines to let you know of the great benefit your valuable British Troop Oil did for me. I have had the quinsy a great many times, and tried all kinds of remedies and doctors, but did not get much benefit. I used to have it three or four times a year, the last time I had it my throat did not break inside. I gargled my throat with the Troop Oil, and also rubbed it on, and the swelling went down. I consider it is a Godsend to have your British Troop Oil in the house."

Hands Cracked and Became Sore.

Mr. Peter McLean, Bothwell, P.E.I., writes:—"I was troubled a great deal with my hands cracking, and becoming so sore, I could scarcely do any work. December Dainties.

Some men are rather under-rated in their own homes. It was a cold winter night. Little Johnny sat beside the radiator, reading a book. Mother was about to retire upstairs. She called down to Johnny. "Johnny, bring up the bed warmer." Johnny, without leaving his cozy corner hollered to the kitchen: "Father, mother wants you."

Mrs. H. Barkhouse, Auburn, N.S., cannot speak too highly of Dr. Wood's Norway Pine Syrup as it cured her little girl of lung trouble.

MOLLY—"Papa, I wish you'd close the door of your room when gentlemen are calling on me. Your snores are something fierce." PAPA—"Well, it won't hurt 'em." MOLLY—"Perhaps not; but they might think it's hereditary."

UNCLE EZRA—"Do you think the money young Eph Hopkins made down in New York will last him long?"

UNCLE EBEN—"You bet it won't! He's going at an awful pace. I was down in the general store last night, and young Eph was writing hundred-dollar checks and lighting his cigars with them."

When the Liver Is Out of Order

Dr. Wood's Norway Pine Syrup.

The balsamic odor of the newly cut pine heals and invigorates the lungs, and even consumptives improve and revive amid the perfume of the pines.

The essential lung healing principle has never before been separated and refined as it is in Dr. Wood's Norway Pine Syrup. And since but few can command the luxury of a visit to the pineries, it will be to many a revelation of good cheer to know that the medicinal virtues of the pine have been reduced to this convenient form.

Repeated tests have proved Dr. Wood's Norway Pine Syrup to be a rapid, reliable and effective cure for Coughs, Colds, Bronchitis, Asthma, Soreness of the Chest, Whooping Cough, and all affections of the Lungs, Bronchial Tubes and Air Passages.

Dr. Wood's Norway Pine Syrup, is put up in a yellow wrapper, three pine trees the trade mark, and the price, 25 cents.

There are many imitations of "Dr. Wood's," so be sure you receive the genuine when you ask for it.

Cold Settled on His Lungs.

Mr. G. G. Rhynard, Mill Village, N.S., writes:—"I have had occasion to use Dr. Wood's Norway Pine Syrup, and can say that it is certainly a good medicine. About a year ago I contracted a severe cold, which settled on my lungs, and left them in a very weak state. The cough racked me terribly, and I was in despair, until a friend advised

Dr. Wood's Norway Pine Syrup. I took five bottles, in all, and it cured me of my cough, and left my lungs strong and well."

Would Get Black in the Face, Choking.

Mrs. James Murray, Bathurst Village, N.B., writes:—"My boy had such a cold, that at times he would get black in the face from choking. I tried several remedies, but they seemed to do no good. A friend spoke about Dr. Wood's Norway Pine Syrup, so I decided to try it, and before the first bottle was done, he was almost cured; then I got the second bottle, which completely cured him. I recommend it to all my friends."

Cold Turned to Bronchitis.

Mrs. Louis Lalonde, Penetanguishene, Ont., writes:—"When my little boy was two years old he caught a cold which turned into bronchitis. I tried everything to cure him, even to doctor's medicine, but it did him no good. One day I was advised to give Dr. Wood's Norway Pine Syrup a trial, and before he had half a bottle used, he was cured. I would advise all mothers to try it, as good results will follow. My home is never without it."

See inside back page for our offer of a beautiful premium picture.

Everyone Troubled With Coughs, Colds, Bronchitis, or any Pulmon- ary or Bronchial Disease Should Use Dr. Wood's Norway Pine Syrup.

Could See Her Little Lad Failing.

Mrs. A. Mainwright, St. Mary's, Ont., writes:—"I feel it my duty to write and tell you the good your Dr. Wood's Norway Pine Syrup did for my little boy. He had whooping cough, which left him with a nasty, dry hard cough. I took him to several doctors, but they did him no good, and I could see my little lad failing day by day. I was advised to take him to another doctor, which I did, and he told me he was going into a decline. I was telling a neighbor about it, and she told me to get a bottle of Dr. Wood's Norway Pine Syrup, and give it to him regularly. She then got to tell me how much good it did her children, so I got a bottle, and gave it to my little boy, and was so pleased with the result that I bought another one, and by the time he had finished it he had no cough. He is now fat and strong, and I would not be without a bottle in the house on any account."

Has Tonsils and Adnoids Taken Out.

Mrs. T. H. Boyle, Winnipeg, Man., writes:—"My boy having had his tonsils and adnoids taken out, was very much subject to coughs and heavy chest colds. I tried Dr. Wood's Norway Pine Syrup with him, and I am thankful to say that

every winter when he is inclined to have those colds, I dose him with it, and the symptoms pass off, leaving him good and strong. I would not be without it."

Developed a Nasty Cough.

Mrs. H. Bowles, Toronto, Ont., writes:—"I feel I must write you, to tell you how grateful I am for the relief I have obtained from taking Dr. Wood's Norway Pine Syrup. I came to this country, 5 years ago, from England, and soon after developed a nasty cough, and expectorated a lot of phlegm. I tried a lot of "so-called remedies," without relief. Seeing your Dr. Wood's Norway Pine Syrup advertised, I decided to give it a trial. After taking 4 bottles my cough entirely disappeared."

Coughed Almost All Night.

Miss Margaret MacDonald, Port Hood, N.S., writes:—"Just a few lines to let you know what Dr. Wood's Norway Pine Syrup did for me. I took a severe cold, coughed almost all night, with that dry tickling sensation in my throat. The first bottle did me so much good, I thought I would try a second one, which I am pleased to say resulted in a complete cure. I can strongly recommend it to any one suffering from a cough or any throat irritation."
